The South Carolina WOC Nurses need your help!

Shhh.... it's a SURPRISE !!!

Send us your photos

Hello fellow WOC Nurses,

The South Eastern WOC Nursing group is planning to honor Phyllis Bonham for all her great work over the years. As many of you know, Phyllis retired last year after a long and productive career as a WOC Nursing pioneer. We are planning to honor her at our fall conference and are contacting former students and colleagues to request either written, voice, or video memories of Phyllis as well as photographs. These will be used to produce a video montage honoring her accomplishments over the years. *She is not aware that this is going to be presented in the fall and we are doing our best to keep that information from reaching her.*

Please take time to go through any old photographs you may have of Phyllis and scan and forward them to us at this email or mail to physical address below. Any photos mailed will be returned to provided addresses. We are also requesting folks make use of those smart phones you have and record either an audio or video memory that you cherish related to Phyllis. Audio and video files should also be emailed to botham@musc.edu.

We thank you all for your help with this project and hope that you are able to attend our conference this

fall in beautiful Charleston, South Carolina. Please visit us at <http://www.serwocn.org/2013Conference/> for more information.

Thanks, Phill
