Hurricane Matthew made landfall in Florida cutting the 2016 ANCC National Magnet Conference® short, and then travelled up the east coast causing havoc in many of our affiliate states. Rivers swelled, and storm surges reminded us that Mother Nature still has the upper hand!

As those on the Outer Banks said, "We are bent but not broken". SER of the WOCN® Society continues to keep all those affected by this storm in our thoughts and prayers.

2017 CONFERENCE - Save the Date!
