### Dear 2018 Exhibitor,

**Thank you** for braving the elements and participating in our Conference in Myrtle Beach last month. In spite of Mother Nature's best efforts and with your participation, we were able to have an overall successful conference. Your support to our organization is greatly valued and appreciated.

**Your Opinion Matters!** If you did not return a copy of your Exhibit Hall Evaluation form, please visit our website at: <https://www.serwocn.org/conference/2018/exhibitors/exhibitor-survey.html> to complete the survey. Your feedback is very important to help us in planning future conferences.

The final list of attendees willing to share their information is being made available to your main contact and designated booth captain. As a condition of our Accreditation for providing Contact Hours, we may only share contact information of attendees having opted in. The information being shared is in accordance with each attendee's individual preference of sharing name, email address, mailing address and main phone number. [Click here for the final list](#)
