Dear Haberer, Bernie.

Thank you for braving the elements and attending our Conference in Myrtle Beach last month. In spite of Mother Nature's best efforts and with your participation, we were able to have an overall successful conference. Your support to our organization is greatly valued and appreciated.

As of Monday, October 8th, over 100 Certificates of Attendance with CE's have been sent out, but yours is not among them. We are missing either your Overall Conference Evaluation, and/or session evaluations. If you submitted some evaluations, you have been sent an email showing a preview of what has been submitted.

Evaluations are due by end of day, Sunday October 14, 2018. The Overall Conference Evaluation is also required to generate your certificate, as the collection of feedback is requirement of our accreditation.

To facilitate the ease of completing this task, we have removed the login requirement from the [attendee portals page](#) on our website. Once you are there, simply choose the correct portal for your evaluations.

If you have any question regarding your certificate or this process, please email bhe@serwocn.org.
