Hurry - sign up NOW !

Register before September 1st to be included in our Conference Book.

**Make your plans for
SER of the WOCN® Society's
43rd Annual Conference**

**October 3 - 5, 2019
Columbus, GA**

The Board of Directors of the **Southeast Region of the WOCN® Society**, a six-state regional chapter of the WOCN® Society, invites you to participate in our **2019 Annual Conference** to be held in Columbus, GA., **October 3 - 5**.

This year's theme is "**Enhancing WOC Nursing - Bridging our Past to our Future**". We would be honored to have you exhibit and bring us your newest ideas and creative modalities for patient care.

Plan on exhibiting **October 3 & 4** to take advantage of 5 planned hours of quality exhibit time, including appetizers on Thursday as well as snacks on Friday in the exhibit area.

For prime exhibit space, please consider providing a sponsorship and/or an unrestricted educational grant. Payment for all exhibitor opportunities is in addition to the cost of exhibiting, unless stated otherwise. Sponsorship opportunities are listed in the [Exhibitor Prospectus](#). Sponsors receive additional recognition, depending on levels, in our program book, on signage and on our website.

To pay by Credit Card, please indicate such on the form. For increased security, we will generate an invoice with a payment link through PayPal®, our payment processor. Alternatively, you are welcome to mail the forms with payment to the address provided. Booth space will be reserved once payment is received. Booth assignments are at the discretion of the Director of Conference Planning. Assignments will be made in mid September and are based on level of support including sponsorships, date of payment and preference of companies to avoid.

Conference information will also be posted on our website's [exhibitor page](#) as it becomes available.

If you have any questions, please feel free to call 727-238-5140 or email our manager at bhe@serwocn.org at any time. Thank you for helping support our wonderful organization of wound, ostomy and continence nurses!

We look forward to our exhibitors providing the attendees with the latest information and creative uses of wound, ostomy and continence products which enhance and positively affect patient care. Your participation makes it possible to have quality speakers for our membership which inform and excite us about

our practice.

If you are not responsible for securing a booth at our conference, please forward this email to the appropriate person.

Recipient:
