Consider serving your Region by
becoming a member of our
Leadership Team

SER Election Info

Call for Candidates!

Only a few weeks left to throw your Hat / Bonnet into the ring!

Bernie Haberer,

Have you ever thought of taking your participation in the SER of the WOCN® Society to an even higher level? There is no time like the present to get involved and make a difference.

Promoting WOC nursing as a vital and fulfilling career option to new and not so new nurses helps to ensure our continued success by attracting new members to this expanding and essential specialty. A strong membership base will increase public and professional awareness of the very important services we provide.

Would you be surprised to learn that PGP Points are awarded for each term served as an officer or committee chair at the regional level? This can be VERY valuable when it is time to recertify!

The requirements to become a candidate for office are easy. One must be a current member of the Southeast Region for one full year and as determined by WOCN® membership requirements at the National level, and have a WOCNCB® certification. It is important to note that this is NOT a full-time commitment.

Directors attend two board meetings / year. One meeting usually held in January on a Friday and Saturday for planning conference details. The other meeting held at the annual conference - usually on Wednesday evening before conference starts. All approved costs and expenses are reimbursed per our operating policy.

The Leadership team for the SER of the WOCN® Society functions to achieve the business of the association and to continually work for the improvement and growth of the organization.

For more information including role descriptions, duties and benefits, please visit our website's [Election Page](#). **Consent to Serve forms are due by June 15, 2020.**

If you have any questions, please **contact Donna Byfield**, SER Nominations Chair.

Board participation provides another level of professional growth. Please consider giving back to your region through board service.
