From: Laura Shafer, RNC, CWON
President, Southeast Region of the WOCN® Society

After multiple discussions, the SER Board hoped our nation's unprecedented pandemic situation would improve and we would continue to host our fall conference as planned. Unfortunately, the Board concluded, our current health situation remains unpredictable, and for the health and safety of our members, we must postpone the 2020 Conference scheduled for September 24-26, 2020, in Orlando, Florida. Our conference will be rescheduled for August 26-28, 2021. We will continue to have a wonderful pre-con on Fistula Management, 13 additional wonderful speakers, Non-CE Symposiums, and industry exhibits.

If you have already paid the registration fee, you can choose to:

1. Roll the paid registration over to next year, in which case you will not be charged the increased fee next year.
2. Full refund of the fee paid to your payment method (Credit Card or check) – *registration will not roll over.*

Please respond to this email with your choice by September 15, 2020.

We apologize for any inconveniences this may have caused for those who have wanted to exhibit at our conference. The Board wishes all our exhibitors to stay healthy and safe.

We really appreciate all your hard work and dedication to our membership.

Sincerely,

Laura Shafer
