**Subject:** SER Conference Tote Bag items

May 17, 2021

BH Enterprises  
Dear Bernie Haberer,

The Southeast Region of the Wound, Ostomy, and Continence Nurses Society would like to thank you for registering to exhibit during our Conference in Orlando this year.

As the Chair of our Hospitality Committee, I am contacting you to ask if you would be interested in providing any materials for our Attendee Tote Bags. Items that are always appreciated include pens, paper pads, measuring guides, markers, etc. We will have approximately 125 participants this year and other exhibitors have graciously donated masks, sanitizer, scissors, and lotion. If you are willing to donate, please contact us at [hospitality@serwocn.org](mailto:hospitality@serwocn.org).

We are also still looking for a company that would like to have their logo or name printed on the Attendee Tote Bags. We order and provide the bag to our attendees. All you need to do is provide a vector file of your company's logo and our manager handles the rest. If you are interested, please contact Bernie at [manger@serwocn.org](mailto:manger@serwocn.org) for details.

Thank you in advance,

Stephanie Garcia,  
Hospitality Committee Chair  
[hospitality@serwocn.org](mailto:hospitality@serwocn.org)
