Fun Run/Walk benefiting the UOAA:

Similar to what we have done at previous Live SER Conferences, we have partnered with the United Ostomy Association of America (UOAA) to create our own fundraising event. Our event date is Friday morning August 27th at 5:30 am. For more information visit our website at: [Fun Run / Walk Information \(serwocn.org\)](https://www.serwocn.org/conference/fun-run-walk).

As long as you register and order T-Shirts through the online store (Link provided with the registration confirmation email) **no later than this Friday, August 6th**, the nurses should all receive them before they head to Orlando for your conference (by the 25th at the latest).
