Personal message from Bernie Haberer:

Dear SER friends, and supporters,

As my retirement is fast approaching at the end of March, I fondly reflect on these 12+ years, while looking forward to enjoying my “golden” years with Patti. She is my strongest supporter, best friend, and spouse.

It's been my honor to work to with this great organization since 2009 as webmaster, and since 2015 as manager. I have the utmost respect for our professional WOC nurses and the suppliers that provide them support in the care they provide their patients. This respect has only increased over the past 2 year with all the extra pressure they have endured dealing with COVID-19.

The Southeast Region of the WOCN® Society will be in good hands with the current Board of Directors, and Cathy Womack, who is returning as both event planner and association Manager. Cathy can be reached by email at: manager@serwocn.org.

Meeting and working with our exhibitors at conferences has been a yearly highlight for me.

Wishing you all the very best in the future!

Bernie Haberer,
Manager, (Retired)
SER of the WOCN® Society
