Speaker did a wonderful job of showing the importance of Youth Rally and to encourage us to volunteer and/or donate to such a worth cause.

What an inspiring teacher!

Excellent speaker; she was very comfortable with the information and is obviously passionate about this. I was very impressed.

I have never been involved in Youth rally aside as a member of the SER WOCN. Stephanie's presentation on Youth Rally and her leadership as a Youth Rally Counselor was inspiring and outstanding!

Her passion helping kids is inspirational

After listening to Stephanie I really want to go and be a camp counselor. It is great that she was able to reach out to the people in the room and make me feel like I can do this and help another person live a normal life.

Ms. Crane's passion came through in her presentation. Her description of how the children help one another was touching as well as how camp attendance increases participants self confidence.

So wonderful to hear about this program and have this living testimonial as the lecturer. I will hopefully be able to pass this on at state ostomy rallies in the future. Good info.
