Dear Mr. Haberer:

The Alabama State Nurses Association Approval Committee has approved **“WOC Soaring to New Heights.”** Educational activity number **2-0.1690**. This program has been approved for **17** contact hours, and is valid through **July 15, 2018**

The Approval Committee maintains an ongoing Outcome Evaluation of our services and programs provided utilizing our services. Attached you will find an ASNA Consumer Evaluation form. Please return this information to us within 10 days of the activity.

Note: All accreditation and approval statements must stand alone. In other words, it must begin and end on a line separate from other text.

Please notify any Alabama nurses who complete your program that they are responsible for reporting the contact hours received at this even on their Individual CE transcripts located on the Alabama Board of Nursing site. When doing so, they should not attempt to enter a number in the “provider number” field as it will disallow their submission. This applies only to nurses licensed in Alabama.

Thank you for your support of continuing education for nurses. If we can be of further assistance, please contact us at 800-270-2762 or email memberasna@alabamanurses.org.
