Dorothy is an excellent speaker! Thank you for bringing her to the conference!

I always enjoy a lecture from Dorothy. She was very informative and answered questions effectively. Her humor is unbeatable.

loved this presentation! Great topic and always awesome to listen to Dorothy!

Excellent speaker with relevant topic.

Excellent

excellent, and fun, as always!

fun and pertinent information

Great to hear about strategies in such an organized manner. It was great to hear the difference between men and women and what options are for both. Good review of Fiber, Softeners, Stimulens and Osmotic agents. Lots of information in a short time, but we

I always enjoy listening to Dorothy!!

A good review

Always enjoyable, concise, evidenced based, it's why Dorothy is Dorothy!

only Dorothy can make this topic sound interesting !

Dorothy can take any topic and make it fun to learn. Awesome speaker!

It's always soooooo good to hear Dorothy speak. She should be a speaker at every conference!

Dorothy is always amazing! Can we clone her? She is a legend!

I found the post op ileus section very helpful to my practice.

Always love to hear Dorothy lecture! Great lecture.

Dorothy is always an excellent speaker!

Very good discussion on the causes of constipation, treatment, and prevention. Causes and treatment of diarrhea were very informative

Ms. Doughty can present anything and make it insightful, challenging and useful for practice.

Excellent information!

always learn new info from Dorothy

one of the best speakers I've ever heard!

very helpful for educating patients

very informative

What can I say...Dorothy is a legend and amazing and such a gift to our profession.

Much needed information for managing these difficult problems.

Always excellent. She is a nurse prodigy, WOC Nurse Guru. Always enjoy her lectures.

Very useful information on diarrhea and constipation with great applicability for day to day practice.

Great information!

Great research and info, Dorothy fabulous as always. No one can make poop interesting like DD.

Dorothy is the greatest. She teaches on a level so that the information she presents can so easily be incorporated into your practice. She always gives us something to improve our practice

Excellent information very well presented

Great update on medications

Lots of good and useful information taught by one of the greats

Excellent as always. Entertaining and always learn something new.

EXPECTED MORE DETAILS ON MANAGEMENT STRATEGIES FOR AAD. SEEMED SUPERFICIAL GIVEN THE TALK WAS TO WOC NURSES

Dorothy Doughty is an awesome, dynamic, and very knowledgeable speaker. Always learn something new and applicable to my patient care.

Dorothy is an exceptional public speaker. Her knowledge and experience are tremendous. She is the Jesus, Mohamed, and Buddha of all things WOCN.

Very good topic

Dorothy is a legend and knows her stuff!

presenter very knowledgeable and interesting, love to hear DD

Always a joy to hear Dorothy and indeed always learn a new pearl of wisdom

Dorothy is still a great educator. She has a unique way of making complex material easy to understand.

excellent as always!

Awesome

always excellent info and style

Dorothy didn't skip a beat. This is a prime example of why I'm fortunate to have received my certification through Emory.

It was interesting to learn about how gum chewing can continually stimulate the gut. It was interesting to see evidence to support using a stool for a "squatting like position" when using the bathroom to facilitate easy passage of stool. Interesting to I

Dorothy is such a blessing to our SER of the WOCN membership!! She does a fabulous job with her presentations related to fecal incontinence and today's presentation of challenges in bowel management is fabulous as well!! Very interesting concept of squatti
