As a new WOCN, I was not aware of the names and work by pioneers of the profession. This was an education on the history of WOCN

As always, Michael gave an excellent uplifting presentation.

I got tears during this one. Very special

Empowering

loved hearing of the Giants from which we came and being inspired to stay at the front of the game

interesting information that I did not know as much of

inspiring

The review of our history was great.

Great presentation on the history of WOC and how we got to where we are today. Great to hear where we are today and what WOC Society provides.

Loved this presentation. Great enthusiasm!

I remember holding Enterostomal Therapists in high esteem as a staff nurse in the early 70s. An amazing history. I'm so proud to be associated with such a great heritage.

Exciting

informative

Great review of the history of WOCN program. This session was awe inspiring and let me see and know the shoulder of which we WOCN now stand on. Thanks for this great presentation. I will use al lot of the information to give a history to the executive sta

He is always emerging amd inspiring

Mikel's lecture was excellent. It was nice to to be thanked as a nurse, pursuing a certification and to be recognized in what we do and how we can improve patient care tremendously.

Dr Gray was very inspirational -- showing our WOC history and cheering us on as WOC nursing

Mikel makes me so happy that I am a WOC nurse!

As always, Dr. Gray had a great presentation!!!

Excellent presentation. His expertise and wisdom appreciated.

Great presentation

Mikel made me cry! Wonderful presentation. I would enjoy this at every conference I attend. We all need reminders of the leaders in our profession.

loved the videos. great reminder of why we are here.

Excellent summary and look to our future.

Very inspirational and I learned how the WOCN society came to be.

Thank you for including Beverly Hampton in the presentation. She was my ETNEP Director and has greatly influenced my professional life. Sometimes I think because she has passed away, she is forgotten by some, but she will always be remembered by me and m

An encouraging presentation.

Dr Gray is quite the cheerleader!

Dr Gray is quite the cheerleader!

Very entreating. Positively affected how I feel about WOC nursing.

would have been nice to recognize dorthy herself since she was here

motivating

Fantastic presentation. So personally validating. So motivating.

Very lively presentation. Good perspective with encouragement of our practice.
