**Individuals in a Position to Control Content**

Complete the table below for each person in a position to control content of the educational activity and include name, credentials, educational degree(s), role on the planning committee, and expertise that substantiates their role. There must be at least one Nurse Planner and one other planner to plan each educational activity. The Nurse Planner is knowledgeable of the CNE process and is responsible for adherence to the ANCC criteria. One planner needs to have appropriate subject matter expertise for the educational activity being offered (Content Expert). **The individuals who fill the roles of Nurse Planner and Content Expert must be identified.** Nurse Planner must sign all BIO/COI forms. (If form is for the Nurse Planner, and individual other than the Nurse Planner must review and sign form).

*Names and credentials of all individuals in a position to control content (must identify the individuals who fill the roles of Nurse Planner and content expert(s)).*
