I'd never heard her speak until this conference. What an engaging speaker!!!

I really enjoyed Katherine Jeters lecture. She is very dynamic speaker.

Excellent presentation, Dr. Jeter

Katherine is delightful to listen to. She has a good presentation style and shares the history of WOCN very well. Liked that she included SER WOCN nurses who had a great impact on where we are today.

Understanding how WOCN specialty has evolved is important for further understand where we are going.

Excellent kick-off!

Very dynamic speaker and fun.

The best Key note address I have ever heard! Very inspiring.

What a treat to hear from a founding member of our profession. She posed some very excellent questions to the group too.

Very easy to listen to and provided a very enlightening overview in the past and how the specialty got to be where it is currently.

Very easy to listen to and was very enlightening into how this specialty got to where it is today.

it was great to review the history of WOC nursing and look to future! Katherine is amazing.

Great way to start conference

Interesting to see the history.

Katherine Jeter is beyond evaluation! She is fabulous, as was her presentation. Always a delight to hear from.

it was great to review history and look to future of WOC nursing. Katherine is amazing.

Great presentation on showing where we came from as an organization and where we are now

wonderful energetic speaker

Loved Dr. Jeter's enthusiasm; inspired me to be more involved in research and learning opportunities; love the field of WOCN and need to be better at promoting to others

Love listening to Kathrine speak about the evolution of WOC nursing.
